**InvestWrite Overview**

*"I have always had such positive experiences with InvestWrite and all that it teaches our students. With the push for The Common Core Standards it fits perfectly and shows exactly what the student knows and what they can do. I believe, 100%, that InvestWrite is the perfect activity to incorporate into the Stock Market Game™ as it truly shows how much students have learned and are able to articulate through writing." Teacher, Illinois*

Your students have entered the world of business and finance by participating in The Stock Market Game program. The perfect companion, our teacher-designed writing component and competition, reinforces their newfound knowledge and hones critical thinking skills.

Utilizing feedback from teachers nationwide, InvestWrite builds a bridge between classroom learning and the real world. InvestWrite complements The Stock Market Game program learning experience and easily integrates across subjects throughout your curriculum.

Whether you and your students win laptops, trips to New York, pizza parties -- or not, you'll all benefit by enhancing your Stock Market Game program experience through writing.

## Learn About InvestWrite

InvestWrite, an innovative national writing competition, produced by The Stock Market Game program, adds a critical thinking component to help reinforce concepts learned in the classroom.

- Every student currently registered in The Stock Market Game program with a valid team login ID and password is eligible.
- Your students participate by writing essays in their grade division: Elementary (4-5), Middle School (6-8), High School (9-12).
- Every assignment introduces or relates to investment principles linked to The Stock Market Game program. Each InvestWrite assignment ties to various lessons throughout the curriculum.
- Teachers can choose to assign the InvestWrite writing assignment as an in-class or homework assignment.
- Both teachers and students will have a chance to win gift certificates, laptop computers, trips to New York (middle and high school), and other great prizes.
- Each participating student submission has a chance to be reviewed by the competition's first round judge...you, the teacher.
- Then, as the first round judge, you select the top ten responses from each class or group of participants (based on the guidelines and directions).
- Then submit them electronically to the next round of evaluation at the national level on this website.
