

Journey of a Trade - There are two types of portfolios. **Real-time** and **End-of-Day**
After students make a trade, a message will pop-up on the screen. It will look like this.

*Notice **there are directions** for both **Real-Time** and **End-of-Day** Accounts

If you are in an **End-of-Day** Account, click on **Pending Transactions**

If you are in a **Real-Time** Account, click on **Transaction Notes**

All Trades will need to be processed before entering in the Account Holdings

Trade Order Confirmed: SFK-8618 - The Market is Closed. Your Order Will Be Executed During The Next Business Day

For "End-Of-Day"* Accounts:

Confirm the status of transactions on the [Pending Transactions](#) screen.

The executed trade price of transactions will be available the following market day.

For "Real-Time"* Accounts: Confirm the status of transactions on the [Transaction Notes](#) screen.

During market hours (i.e. Mon.-Fri., 9:30am-4pm ET, excluding holidays), pricing for transactions will be displayed 20 minutes after submission.

The executed trade price of afterhours transactions will be available the following market day.

*To confirm whether you are an End-of-Day or Real-Time Account, please refer to the [homepage of your portfolio](#).
